

## PLAN CONFERENCE WITH LABOR MEN

Democrats Summon Union  
Leaders to Denver Before  
Framing Platform.

## ANTI-INJUNCTION URGED AS PLANK

Purcell and DeNedrey Optimistic  
Over Prospects of Victory  
for Bryan.

That the Democratic party will listen to labor's voice, and comply so far as it can with all the demands of labor, was evinced today, when John J. Purcell, and Sam DeNedrey, labor delegates to the convention from the District of Columbia, left Washington hurriedly for Denver, and possibly for Lincoln, Neb.

Both men were summoned to Denver to confer with "the powers" relative to the planks in the Democratic platform affecting labor. Mr. Purcell is in favor of a strong anti-injunction plank, and it is possible this will be incorporated. Many labor delegates have been elected to the Democratic convention, and as a result of the efforts of the two Washington men, they are all lined up together.

## Wouldn't Tell Plans.

Mr. Purcell would not divulge his plans today, but said that he would go direct to Denver. Mr. DeNedrey also declined to state his intended movements, but admitted that as soon as the convention closed both he and Mr. Purcell would return to Washington by way of Lincoln, Neb. They will have a conference with W. J. Bryan relative to labor's stand at the polls.

## Purcell Labor Leader.

Delegate Purcell is a member of the Local Electrical Workers Union, and has always been a leader in the local labor field. He is a hard worker, and is noted for his skill in handling affairs. He is known as the diplomat of the labor movement. He has always been conservative, and has represented the conservative on every issue.

Sam DeNedrey, known as "Cyclone Sam," is an orator of some note. It was he, who, with President Gompers, of the American Federation of Labor, stumped Congressman Littlefield's district in Maine last year, and helped bring about the nomination. He is declared, caused his resignation. He is the veteran of many campaigns, both in labor and politics, and there are but few who relish his opposition.

## HASTEN WEDDING TO KEEP PROMISE

NEWTON, N. J., June 25.—After an engagement lasting six years, which was entered into on an agreement that the marriage would take place as soon as the young man had obtained a college education and a paying position, Miss Mary Lynn and John Lynch have been married here. Lynch was graduated as a chemist a short time ago from Lehigh University, and only remained for him to get the position to win his bride. On Saturday he received an offer to go to the Bethlehem Steel Works, and the couple decided to hold the marriage without delay.

## RISKS LIFE FOR DOG.

ALTOONA, Pa., June 25.—To save the life of a pet fox terrier, James Davis, aged seventeen years, of this city, sucked the poison from a wound after it had been bitten in the neck by a copperhead snake.

## Thirty Playgrounds Open Monday; Trade Boards' Ball Game Saturday

Marine Band Will Be at American League Park and Lots  
of "Stunts" Are on Program—Location of Grounds.

Thirty new playgrounds for the children of Washington will be opened next Monday afternoon at 5 o'clock.

Behind this simple announcement lies the solution of the great problem of how the children of the Capital City will enjoy the summer. Heretofore the playgrounds have been limited in number and only in certain sections of the city had it been possible for the children to have the pleasure and benefit of them.

With the opening of the new playgrounds next Monday, many more thousands of children will have some place to go and many ways in which to enjoy themselves.

The recent collections, made in many ways, toward the playground fund have made it possible to equip and maintain these grounds. From the collection on "Tag Day" \$3,000 was realized. An additional \$2,000 was contributed through the efforts of the children themselves in giving entertainments and in subscriptions. \$4,000 more was collected, making \$14,000 to provide beautiful exercise for the younger element in Washington.

## Baseball Game Saturday.

The crowning event of the season on the part of the city in behalf of its own and other folks' children will take place next Saturday afternoon when a baseball game will be played at 3 o'clock at American League Park between the Board of Trade and the Chamber of Commerce. Everybody is going to the game, for not only is everybody willing to give their little contribution to the fund, but there will be all kinds of extra features to lend color to the occasion. Many of these will resemble the those arranged for the dinners of the Gridders Club, and the Marine Band will attend to keep things lively. It is believed that a substantial sum will be added to the fund by the game.

The new playgrounds, which will be opened Monday, will be equipped with all the devices which have been installed heretofore, and several new ones. Twenty of the playgrounds will be for white children and ten for colored. In the school grounds will be swings, seesaws, teeter ladders, giant slides, sand bins, tether poles, volley ball standards, and basket ball equipment. In addition to these the outside grounds will be further equipped with tennis courts, baseball diamonds and outdoor gymnasiums.

## A strong effort was made to obtain from Congress an appropriation by which a swimming pool might be installed at some one of the grounds, but Congress failed to make such an appropriation and the youngsters will not have the

pleasure of taking a plunge in their own pools this summer.

## Time and Place to Play.

At each of the outdoor playgrounds two teachers will be in attendance during the hours the grounds are open. One teacher and a janitor will be on duty at the school grounds. The playgrounds will be open from 9:30 to 11:30 a. m. and 5 to 8 p. m. Following is a list of the new grounds which will be opened next Monday at 5 p. m.

## For White Children.

NORTHWEST.

Ross School, Harvard street between Eleventh and Thirteenth streets.

Juvenile Court, Nineteenth and E streets.

North Capitol and L streets.

Bell School, First street, between B and C street.

SOUTHEAST.

Birney School, Anacostia.

Giddings School, Fourth and E streets.

NORTHEAST.

Fourteenth and C streets.

72 DAYS TO LIVE,  
VISION TELLS MAN

FRANKFORT, Ind., June 25.—John E. Bossaum is convinced he is to die Friday, September 4. He is in splendid health now, but had a dream a few days ago which forecast his demise at the end of seventy-two days so vividly that he has decided to make all the preparations. His latest move was to join the Baptist Church. He has written his will, put his property in his wife's name, and is now composedly awaiting the advent of the angel of death.

In his dream Bossaum saw the heavens unroll like a scroll so that the interior of Paradise was revealed. A voice announced his end was at hand, bade him make his peace with heaven within sixty days and fixed the date when he is to quit the earth. A large and tearful congregation was present when Bossaum was baptized.
